SUMMER SLAM CAMP

Summer Slam is a six-week, recreation-based day camp for elementary and middle school children. Summer Slam children will have a great time doing crafts, playing games and sports, eating tasty snacks, making new friends from all over, and going on fun and fabulous out-trips to places like the Extreme Air Park, the Bridal Falls Waterslides, Wild Play, Galaxy Bowl, and more.

Summer Slam is a fabulous opportunity for children to have a great time during the summer months while getting valuable exercise and recreation time. It is an excellent chance to continue to develop social and language skills by interacting with peers and friendly, reliable, and responsible adults. This program is a great alternative to daycare, with something for every child.

Cost:

1 Week: \$85

6 weeks: \$470 (save \$25)

Refund deadline is June 26 In the case of a bounced cheque, a \$15 administration fee will be charged.

*Summer Slam will not be held on August 7th due to a holiday. Cost will be reduced to \$70 for this week.

*Payment for Summer Slam must be made at the time of registration in order to secure your child's spot.

*Financial Assistance is available for Summer Slam through JumpStart. Ask for details.

Summer Slam Dates and Times

Monday - Friday

9:00 am - 3:00 pm

July 3 - August 11

Out-Trip to Vancouver Aquarium

Week 5: July 31 - August 4

Out-trip will be to Science World

Week 6: August 8 - August 11

Out-trip to Bridal Falls Waterslides

GAME DESIGNERS CAMP

2D Character Design and Animation is all about designing characters. The week long camp runs from 8:30am – 11:30am, Monday - Friday. It will focus on characters and props around the characters. Students will learn about the processes involved in character development, drawing the character, bone structures, movement, and coloring. Once their characters are drawn, they will learn how to animate them and then will create different poses and animations with them. This class greatly compliments the Game Designers Camp, as students could take their animated characters and use them to create a video game.

Game Designers Camp is back for the summer! The week long camp runs from 12:30pm – 3:30pm, Monday – Friday. Over the course of the week, students will be introduced to computer programming, problem solving, computer graphics programs, character development, level development, sound development and game design. They will use these skills to create a simple video game. The games will be built in such a way that they will be put on the internet (if the student chooses to have it put there) and will be playable online at games.laszlok.com.

Both camps will include a Friday pizza party and celebration of the work the students have done. Students need to be great listeners and problem solvers. In both camps, students will get a USB stick which they can use to take their work home.

Cost
\$70 per program
